

When choosing your awning it is vital that you know the size (A measurement) of your caravan. Measure your caravan from point **A** to point **B** in cm as shown in the picture. The measurement from ground to ground is the "A" measurement that can then be checked with the size chart to identify which awning size will fit your caravan.

Size	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22
A-Measurement	725-750	750-775	775-800	800-825	825-850	850-875	875-900	900-925	925-950	950-975	975-1000	1000-1025	1025-1050	1050-1075	1075-1100	1100-1125	1125-1150	1150-1175	1175-1200

Camptech Products Limited would like to thank Salop Leisure/Love2Stay (Salop Leisure, Emstrey, Shrewsbury SY5 6QS) for the use of the Grounds, Caravans and Motorhomes to allow us to take photos of the awning range.

HOME IS WITH YOU, WHEREVER THAT MAY BE

As Camptech Products Limited continues to grow, the company remains dedicated to its core values of quality, innovation, and sustainability.

Future plans include expanding the product line to encompass even more aspects of the outdoor experience and embracing eco-friendly practices.

With an unwavering dedication to enhancing the outdoor lifestyle, Camptech looks forward to inspiring and equipping generations of adventurers to come.

Camptech's commitment to quality is reflected in its adherence to industry standards, ensuring that customers can trust the durability and performance of each product.

Camptech places a strong emphasis on building lasting relationships with its customers. The company values customer feedback and uses it to drive product improvements and innovations. An efficient customer support team is in place to assist with enquiries, provide product information, and ensure customer satisfaction.

Camptech's dedication to its customers goes beyond the point of sale, creating a loyal customer base.

Camptech Products Limited are proud to announce that we are an official supporting partner for **Salford City Football Club**.

Camptech have come a long way over the last 5 years and this year we wanted to focus on collaborating with and supporting communities around us.

The partnership will be a 3 year venture and will allow Camptech and Salford City FC to bring communities together in various projects around the local area.

Working on various charity events and providing facilities for the stadium and fans, including the newly installed scoreboard.

We're very excited about the partnership and future projects, follow our story to learn more.

We are also thrilled to have released our official brand video. Our team worked hard to bring this project to life and we hope you love the results as much as we do.

Over the past few years, our business has evolved and grown and we believe that now is the perfect time to re-introduce ourselves as the company we are today.

Our goal is to make camping and caravanning accessible to everyone, and we believe that starts with offering products that are both reliable and affordable.

Whether you're a seasoned camper or just starting out, we have something for you.

So sit back and relax with Camptech, we hope it inspires you to hit the road and explore the great outdoors.

Keep your eyes peeled for lots of new content that we will be showcasing for the 2024 season.

DUCHESS

TOURING POLED PORCH AWNING

The Duchess Touring Porch Awning is produced in our Climatech SR17 coated polyester material making this the perfect touring awning. The Duchess has all the features of a traditional awning whilst also offering that spacious feeling with the large windows to the front and side of the awning, which allows daylight throughout the entire awning. The panels can be removed for those sunnier days. The Duchess comes fitted with one half fly screen to increase ventilation into your awning. Using the Techline zips we can offer you the option to add an additional annex to either side of the Duchess for those times you need more space. Each panel has a door that can be rolled back to allow access into the awning, making it suitable for all your family needs.

MOTO CROWN ELITE

DRIVEAWAY MOTORHOME AWNING

Introducing the Moto Crown Elite driveaway motorhome air awning measuring 3m wide and 3m deep. It has an exceptional internal living area. The back tunnel is available in three height options to accommodate most campervans and motorhomes and has a door on both sides for easy access into your vehicle. The canopy over the door protects you from the elements, the fly screen included on the side panel allows circulation of air around the awning. The Moto Crown Elite is made from quality Climatech SY17 material and features a single inflation point.

SPECIFICATIONS:

Tunnel: Low - 180/210cm
 Medium - 210/255cm
 High - 255/300cm
 Tunnel Depth: 90cm
 Width: 300cm
 Depth: 390cm (Including Tunnel)
 Floor Area: 300x300cm
 Colour: Dark Grey/Light Grey
 Weight: 18kg approx (Moto Crown Medium)
 Kadar Length: 281cm

FEATURES INCLUDED:

Highly Visible Guy Ropes
 Guyline Attachment For Securing To The Van
 Privacy Blinds
 Velcro Groundsheet
 Single Inflation Point
 Dual Beading 4/6mm Fitted To The Tunnel
 Attachment Points For An Inner Tent
 Peg Bag
 Manual Pump
 Front Window Canopy
 Repair Kit
 Canvas Holdall Bag

FITMENT OPTIONS:

The large tunnel can be connected to your vehicle by throwing the attached webbing straps over the vehicle.

The awning is supplied with a 4/6mm Twin Beading system, making this suitable to be attached to the awning rail supplied on the vehicle. This can be made easier by using our optional SL5058 Moto Twin Drive Away Fixing Kit

If your vehicle is fitted with roof rails, then a quick method of attachment is to attach the velcro straps fitted along the edge of the tunnel around the roof rail.

For the pole and clamp fitting (optional), the rear tunnel has a sleeve sewn along its length into which the pole slides, the pole can then rest in the vehicles gutter and is secured using a clamp system.

OPTIONAL EXTRAS:

- SL5001 Techline Secure Straps For Inflatable
- SL522-B Driveaway Adaptor Kit
- SL5010 Omnibrite LED Starter Kit
- SL5011 Omnibrite LED Top Up Kit

MOTO WINDSOR

DRIVEAWAY MOTORHOME AWNING

Introducing the Retro Windsor Drive Away Awning. Manufactured from Climatech SR17 fabric ensuring the awning to be durable and easy to clean. Inflation is from a single point whilst deflation is via multiple points making this driveaway simple to assemble. The Retro Windsor has an exceptional living area of 300cm by 240cm, fitted with a tunnel with a door on either side and is suitable to fit Motorhomes from 235 to 300cm in height. Ventilation comes from the two full mesh side doors and the front apex of the awning. The Moto Windsor has the option to remove the front and side panels to create a canopy space. Also available for the Retro Windsor is the optional annexe, which can be used to extend your living space further or create an extra sleeping area, making it perfect for your motorhoming needs.

SPECIFICATIONS:

Fits Motorhomes: 235-300cm
 Tunnel Depth: 90cm
 Width: 300cm
 Depth: 330cm (Including Tunnel)
 Colour: Black/Light Grey

FEATURES INCLUDED:

- Front And Back Straps
- Dual Beading 4/6mm Fitted To The Tunnel
- 2 Doors In Tunnel
- Single Inflation Point
- Multiple Deflation Points
- Half Vent Window To One Side
- Curtains
- Manual Pump
- Canvas Holdall Bag
- Repair Kit
- Attachment Points For An Inner Tent and Roof Liner

FITMENT OPTIONS:

The large tunnel can be connected to your vehicle by throwing the attached webbing straps over the vehicle.

The awning is supplied with a 4/6mm Twin Beading system, making this suitable to be attached to the awning rail supplied on the vehicle. This can be made easier by using our optional **SL5058 Moto Twin Drive Away Fixing Kit**

CARNIVAL WINDBREAK

LUXURY WINDBREAK THAT COMPLIMENTS ALL AWNINGS

Quick and easy to set up, the Carnival Windbreak gives you ample protection from the wind, whilst providing a little bit of privacy. Produced in our Climatech 300D fire retardant coated polyester these windbreaks will stand the tests of time.

There are 2 models to choose from, the Carnival Windbreak has 4 panels with 2 of the middle panels having tinted windows.

The Carnival Windbreak Lux is made from the same material and has 4 panels. There are tinted windows on all 4 panels and each comes fitted with privacy blinds that can be zipped closed. Whilst unzipped the blinds can be rolled down and tucked into the pockets which are located underneath each window.

Both Windbreaks measure 460x130cm and have a colour combination of Light Grey/Dark Grey. They include a set of 19mm zinc plated poles and are complete with pegs and guy lines.

MODEL	SIZE (CM)
SL521-A CARNIVAL WINDBREAK STANDARD	460X130
SL521-B CARNIVAL WINDBREAK LUX	

OPTIONAL EXTRA

SL5057 Windbreak Footplate

BOSWORTH AIR WINDBREAK

LUXURY AIR WINDBREAK THAT COMPLIMENTS ALL AWNINGS

The Bosworth Air Windbreak is made from quality 210D material supplied with three panels, additional panels can also be purchased and attached as an optional extra to suit your needs. Each panel has its own inflation point and is 1.4m high x 1.65m wide with a window at the top giving you both privacy and a view. Each panel is hinged with a zip so you can configure the windbreak whichever way you require. An additional caravan adaptor kit can be bought as the Bosworth Air Windbreak can be directly zipped onto most Camptech Awnings when the side panel is removed.

SPECIFICATIONS:
