

Door Canopy Penta Black

406000195

The Penta door canopy is the ideal choice when you want to create a protected entrance to your Penta awning. It gives you great coverage that shields you from rain and wind, so you can enjoy camping in all weathers.

Designed with flexibility in mind, the door canopy can be placed on both the right and left side of your Penta awning. It is supported by a robust Zinox steel frame, which is attached to the awning canopy for extra stability.
